## e-Authority to leave

Kia Ora Sandeeppp,

You recently applied for an Electronic Authority to Leave (eATL) at **781 Great South Road, Penrose, Auckland 1061, New Zealand**.

Attached to this document is your unique Aramex NZ eATL code. This code will be scanned by your local courier when delivering freight to this address.

e-Authority to leave

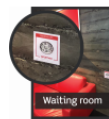

Safe location

Garage

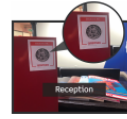

Terms and conditions apply

When applying this barcode near the safe location please consider it should be placed in a cool, dry, easily accessible area that is visible for your Courier to scan.

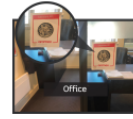

### Examples

Waiting room

Reception

Office

If you have any queries, please discuss this with your Courier Franchisee or your local depot, **Aramex Auckland**.

Regards,  
The Aramex Team

e-Authority to Leave

e-Authority to leave

What is an e-Authority to leave?

e-Authority to leave or eATL is an electronic form that gives Aramex NZ Courier drivers the authority to leave your parcel at your address in the specific location without obtaining a signature. **Terms and conditions apply.**

How does it work?

- Once you have filled out and submitted the form, your local Aramex office will review and approve the application.
- You will receive a unique barcode which you will need to place at your designated safe location.
- The Courier will scan this barcode and leave your parcel at the safe location when delivering to your address.

Note: When choosing a safe place please be vigilant that the location chosen is in a cool dry area not visible from the road.

Get Started

## e-Authority to leave

Here at Aramex New Zealand, the safety of the freight moving through our network, from collection through to delivery, is paramount.

By completing this form, you authorise Aramex NZ Courier Franchisee's or representatives to leave all parcels without a signature to your provided address.
